[illegible]
[illegible]
[illegible]
[illegible]
Tu-whit to-who.
A merrie note,
While greasie Ione doth keele the pot.

When all aloud the winde doth blow,
And coffing drownes the Parsons saw,
And birds sit brooding in the snow,
And Marrians nose lookes red and raw:
When roasted Crabs hisse in the bowle,
Then nightly sings the staring Owle,
Tu-whit to-who.
A merrie note,
While greasie Ione doth keele the pot.

The wordes of Mercurie, [illegible]
[illegible] the songs of Apollo:
[illegible] way; we this way.
Exeunt omnes.

FINIS.
